OUR STORY

Coco relocated to Nashville, TN in February 2020 after touring with "Letters From Home" and performing as a resident artist on Oceana Cruise lines for almost four years. Within a fortnight of moving to town, Coco & The Nash was established.

The band was fortunate enough to start performing regularly on Broadway, aiming to create a show that genuinely embraced Nashville's "Music City" nickname. They desired to celebrate musical diversity by providing a unique show filled with music you most likely wouldn't hear at another bar downtown.

Their repertoire spans many genres and decades and can appeal to people of all ages, ensuring everyone has a great time. Coco & The Nash has now performed at multiple bars on Broadway and across the United States, and in private shows, festivals, special occasions, and corporate events. In addition to their performances on Broadway in Nashville, Coco & The Nash has also booked shows in various states like GA, MN, SD, FL, KY, CA, among others.
