Hello!

My name is Coco and I would like to start by saying thank you so much for taking time out of your schedule to read this, it means a lot to us. I know you're busy- so I'll try to be brief.

OUR STORY

Coco & The Nash came to life in February 2020, when I made the leap to Nashville after spending four incredible years on the road. But let me take you back to where it all began. Originally from Minnesota, I developed a passion for performing in my early teens and pursued it relentlessly for 13 years. Along the way, I earned a BFA in Musical Theater and had the privilege of performing and touring across the United States for veterans and active military with "Letters From Home" for three years. My journey also took me across the world as a resident performer on Oceania Cruise Lines, into regional theater productions, on-camera projects, and even modeling gigs in both the USA and Europe. Then, in February 2020, just two weeks after settling in Nashville, Coco & The Nash was born.

Our journey took an unexpected turn when the pandemic hit just one week after we landed our first gig on Broadway. However, instead of letting it slow us down, we used that time to refine our show and develop something truly unique. We knew from the start that we didn't want to be just another "Broadway band." Our vision was to create an experience that fully embodies Nashville's title as "Music City" by spanning all genres and decades. Today, our ever-expanding setlist boasts over 350 songs, and we're constantly pushing ourselves to evolve, learn, and grow.

While Broadway wasn't our final destination, it has proved to be an incredible training ground—teaching us the art of crowd interaction, adaptability, and enhancing our extensive repertoire. Now, Coco & The Nash has brought that high-energy, versatile experience to Las Vegas, Nevada. From our new home base in the Entertainment Capital of the World, we continue to perform nationwide while lighting up the local corporate and private scene.

We've had the honor of performing in multiple states, headlining festivals, performing at weddings, and entertaining at private events for esteemed clients such as the Louisville Thoroughbred Society, Alpha, Home Franchise Concepts, TD Bank, and more. As we continue to expand our reach and impact, I sincerely hope we have the opportunity to collaborate and bring our unique energy to your next event.
